Dr. Ernst Schwerin  
12 East 86th Street  
New York 28, N. Y.

Dear Dr. Schwerin:

In reply to your letters dated December 28, 1944 and January 2, 1945 I wish to answer your questions contained therein as follows:

1. The corporate file comprising the minute book of Spring Wells Inc. will be handed to you as Secretary of the corporation to remain in your custody. You will thereby be in possession of all the papers relating to the said corporation and have all the information desired.
2. The draft of an agreement concerning the placement of automatic vending machines by Spring Wells Inc. is enclosed herewith. I wish to call to your attention the fact that no such agreement has been filed so far.
3. The originals of all the agreements and supplements thereto of the Schwerin trust are no longer with J. & W. Seligman & Co. from which firm they were withdrawn a considerable time ago. I would guess that these papers are either in your safe deposit box or in the custody of the National City Bank handling the account of the trust.
4. My reference at our last interview was to the Ehrlich trust the documents of which are in fact in the custody of J. & W. Seligman & Co. handling the account of said trust. The trust provides for a successor trustee in the event Gunther should not serve as trustee for any reason whatsoever.

I trust the foregoing answers to your questions will be fully satisfactory to you.

Very truly yours,

*Irving I. Goldsmith*

THIS AGREEMENT made the            day of  
1944 between ALVIS-CHALMERS MANUFACTURING COMPANY, party of  
the first part (hereinafter referred to as the "Company")  
and SPRING WELLS, INC., party of the second part (hereinafter  
referred to as the "Operator"),

W I T N E S S E T H:

WHEREAS the Company is a manufacturing company,  
whose plants are located at West Allis, Wisconsin; and

WHEREAS the Company desires to provide its said  
plants with certain automatic vending machines, as herein-  
after described, for the convenience of its employees; and

WHEREAS the Operator is willing to install on the  
said plants such automatic vending machines,

NOW, THEREFORE, in consideration of the mutual  
agreements and covenants hereafter set forth, it is agreed  
as follows:

FIRST: The Operator agrees to place on the premises  
of the Company hereinabove described not less than thirty (30)  
five cent automatic vending machines for the sale in cups  
having a capacity of 6 ozs. of refrigerated non-alcoholic  
beverages, such as cola drinks, root beer, ginger ale, fruit  
drinks and other soft drinks, fruit and vegetable juices,  
milk and milk based drinks and to keep the said vending  
machines in satisfactory working condition and continuous  
operation.

All beverages sold through these automatic  
vending machines are to be supplied by the Operator who shall  
have the choice of selecting the type of drink to be sold  
hereunder.

SECOND: The Company agrees during the period of this agreement or any extension thereof not to place on its premises any other automatic vending machines or other facilities supplying similar beverages except those furnished by the Operator. The Company agrees at all times during working hours to admit the Operator's employees on its premises for the purpose of maintaining and servicing, as well as moving and removing the said vending machines.

THIRD: The Operator shall have the right to remove from the said premises of the Company, without notice and without liability, any automatic vending machine or machines if within a period of three months after its or their installation on the premises each such machine does not produce the sale of a minimum of 125 drinks per day for any period of twenty consecutive working days, or if satisfactory operation of the machine or machines cannot be obtained because of direct, indirect, accidental or malicious interference with the same by either the Company or its employees or workmen, or if such operation becomes impossible because of any circumstances beyond the control of the Operator or the Company.

FOURTH: The Operator shall pay to the employees' Benefit Fund of the Company the equivalent of 10% of the gross income derived by it from the sale of any drinks in excess of 150 drinks per unit per day, and the equivalent of 15% of the gross income derived by it from the sale of any drinks in excess of 300 drinks per unit per day, such payment to be made at the end of each full three months' calendar period, and based on the daily average obtained during the said period, but the Company shall not receive any compensation for the placement and operation of said automatic vending

machines on its premises. From the said payment to the employees' Benefit Fund there shall be deducted such amount as would constitute the equivalent of the proceeds from the sale of drinks which were not obtained by actual money but by the use of any slugs, counterfeit coins or other fake material or by trickery.

FIFTH: The duration of this agreement is three (3) years. This agreement is to become null and void if at any time prior to March 15, 1945 the Operator shall not have placed at least thirty (30) automatic vending machines on the premises of the Company.

SIXTH: The Operator shall be entitled at its sole option to renew this agreement for a period of one (1) year by giving notice to the Company not later than three months before the expiration of this agreement.

SEVENTH: If at any time during the term of this agreement the price charged generally within the State of Wisconsin for similar drinks should be increased above five cents per 6 oz. drink, the Operator shall be entitled either to increase the price charged by it for drinks sold through the automatic vending machines but such increased price in no event to be higher than the price charged for similar drinks generally within the State of Wisconsin, or to decrease the per ounce quantity of each drink so sold correspondingly.

EIGHTH: This agreement is subject to the granting of any license required by Federal, State or Municipal authorities and is to be null and void if at any time the placement or the operation of the automatic vending machines shall be prevented by any act, measure or regulation of the Federal,

State or Municipal authorities, or if any such act, measure or regulation places an unreasonable burden upon placement or operation of the automatic vending machines as herein described.

IN WITNESS WHEREOF the parties hereto have  
hereunto set their hands and seals this                  day of

Sehr verehrter Herr Schwerin!

In den letzten Jahren hatte ich so viel Arbeit, daß meine private Correspondenz darunter Not gelitten hat. Umso mehr habe ich mich gefreut, nach langer Zeit wieder einmal von Ihnen direkte Nachricht zu bekommen. Noch schöner wäre es allerdings, wenn Ihre beabsichtigte Reise nach Californien sich verwirklichen würde. Sie werden uns aber nicht mehr in der California Street vorfinden, da meine Schwägereltern ein Haus in der Lerke Street gekauft haben, in das sie wohl schon bald einziehen werden. Wir werden später dorthin nachfolgen, wenn die erste Wohnung in dem Haus frei wird.

Wegen der von Ihnen gewünschten Auskunft habe ich folgendes erfahren: Mr. Felix Chilton war unter seinem früheren Namen Cohen ein bedeutender Tuchfabrikant in München-Gladbach. Er wanderte 1936 nach Paris aus, nachdem er seine Fabrik für mehrere Millionen Mark verkauft hatte. In Paris betrieb er zusammen mit einem anderen Sanigranten

J. F.

ein Geschäft unter dem Namen: Imperméables.  
 Beide Teilhaber wanderten 1938 weiter nach Amerika  
 + begründeten hier <sup>1939</sup> zusammen (der andere Teilhaber  
 änderte seinen Namen in Harry S. Banford) die  
 Banton Corporation, Sitz 60 Wall Street, New York  
 mit Branch in San Francisco, 24 California St..  
 Felix Chilton ist Vice President und San Francisco  
 Branch manager. Er lebt auf seiner Farm in  
 Saratoga + leitet hier in San Francisco die Banton Co.  
 Die Bilanz der Banton Co. per Ende 1943 sah etwa  
 folgendermaßen aus:

Cash	10.000	Invoices	23.000
Customers	116.000	Owing Bantons	82.000
Merchandise	109.000	Due Officers + Stockholders	74.000
Machinery	4.000	Payable	5.000
		Sundry	5.000
		Tax Reserve	20.000
		Capital Stock (200 shares)	13.000
		Surplus	17.000
	\$ 239.000		\$ 239.000

Die Net Sales betragen in 1942 ca \$ 800.000.-  
 in 1943 ca \$ 1.000.000.-

Die Firma ist Broker and Exporter of food products,  
 + arbeitet hauptsächlich mit Behörden, wie Army Exchange  
 Service, Lend-lease administration und Panama Railroad.  
 Der Bankkredit sei durch eine ausländische Bank gegen  
 Warensicherheit gewährt, bei der hiesigen Wells Fargo Bank  
 habe die Gesellschaft nur ein Checkkonto.

Größere Darlehen werden der Firma von dem Vorstand,  
und den Aktienbesitzern zur Verfügung gestellt.  
Das Geschäft scheint bis jetzt prosperiert zu haben,  
jedoch ist das verantwortliche Kapital klein & die  
Darlehen der Officers sind auch Creditoren.  
Ich kenne die Familie Cohen seit langen Jahren,  
jedoch Mr. Felix Chilton nicht persönlich. Über  
seinen Character konnte ich nichts in Erfahrung  
bringen, er soll ein sehr tüchtiger Kaufmann sein.  
Mit den besten Empfehlungen für Ihre verehrte Frau  
Gemahlin begreüßte ich Sie auch im Namen meiner Frau

Ihr sehr ergebener  
Justin Fulton

Henry Hoyns, chairman of the board of Harper & Brothers, publishing firm, died at his home, 1314 Carroll street, Brooklyn, last night. He was 76 years old.

A funeral service will be held at 8:30 P. M. tomorrow at the Fairchild Chapel, 86 Lefferts Place, Brooklyn.

Mr. Hoyns entered the employ of the publishing house sixty-one years ago as an office boy and had served in every department of the firm.
